SEWING MACHINES.
LANGLEY & NORMAN would inform the citizens of Newport and vicinity, that they have been appointed agents for GROVER & BAKER'S CELEBRATED SEWING MACHINES, and that they are now prepared to furnish Manufacturing or the Improved Family Machines, at Manufacturers prices.
We would invite especial attention to the IMPROVED SHUTTLE MACHINE, it being very simple, not liable to get out of order, uses a straight needle, runs with great speed; and makes the stitch alike on both sides. Though made expressly for TAILORS AND SHOE BINDERS, it is found to be as well, if not better, adapted to the general work of a family as any machine that has yet been invented. These machines are sold for $50, though capable of doing any work that can be done with any of the $100 Sewing Machines. au4tf

A NEW MUSIC BOOK,
OR THE
New York Musical Review,
FOR NOTHING!
We have in press, and shall publish in October, "ASAPH, OR THE CHOIR BOOK;" a new collection of Church Music for Singing Schools and Choirs, by Dr. LOWELL MASON. Dr. MASON'S last similar work, published in 1854, reached the enormous sale, in its first year, of over 54,000 copies, which is, we are confident, the largest sale ever enjoyed, in its first season, by any Church Music Book by a single author. The materials with great care from various sources, such, as it is believed, will be of the highest interest to Choirs and Singing Schools. Its Singing School Department is more extensive and complete than in any previous work, being, indeed, a complete work in itself, and forming an extensive collection of secular music, the words, as well as music, to which, are nearly all quite new. Retail price, one dollar.
We publish, also, THE NEW YORK MUSICAL REVIEW, a fortnightly journal of sixteen quarto pages, including four pages of choice music in each number, with twelve pages of reading matter, including frequent articles from the leading musicians of the country, with all the musical news, &c., &c. Subscription, $1,00 per annum.
In view of the present hard times, and with the purpose of obtaining a wide circulation for specimen copies of Dr. MASON'S new work, we are induced to make the following liberal offer, viz.: To every one sending us, before 1st November, one dollar, (the price of subscription to the REVIEW,) we will furnish the paper for a year, and also, as soon as issued, a copy of Dr. MASON'S new work above announced, thus giving two dollars' worth for one. Those desiring the book sent by mail, must inclose twenty-four cents, to pay postage, in advance.

PROCLAMATION
TO the good People of Newport and Vicinity,—
In view of your past generous patronage, I have now at my store, 139 Thames St., a large and well assorted stock of Books and Gilts, suitable for the Holidays. And whereas, it would be utterly impossible for me to enumerate the titles of books suitable for all ages and conditions, to name thousands of elegant and appropriate presents, and whereas, the columns of this paper are inadequate to state a thousandth part of what might be said, I, A. J. WARD, Agent, do issue this my Proclamation, and do agree to sell good and cheap to the citizens and strangers of Newport and vicinity, until this Proclamation be annulled, and you are all invited to my Headquarters, No. 139 Thames St., to test the truthfulness of this my Proclamation.
Given under my hand and seal, this 18th day of Dec., A. D. 1861.

VOSE'S CONFECTIONARY.
(Established 1827.)
IT SEEMS UNNECESSARY, after being in the battle-field for 34 years, to come out with a long advertisement, but as we have many new comers, it is right that they should be pointed to the right place to buy good articles, and at a moderate price.
I have a long experience, and every facility, and all improvements in machinery, that enables me to sell at a small profit; and will sell—quality considered—as low as any establishment in this city. I will sell Custard Cream at 30 cents per quart, according to quality, up to 62 cents for pure. Plain to very rich Cake, from 17 to 33 cents per pound. Candies from 10 to 25 cents per pound. All kinds of Gum Drops, when sold by the pound, 25 cents.
My Saloon is fitted up in good style, and will accommodate about one hundred persons, where you will find a variety of Ice Creams, Cakes, Pastry, Tea and Coffee, to refresh the "weary and heavy-laden," at all times *except Sunday*, that day we keep to refresh ourselves. jy3

A CHALLENGE AND A REWARD
$500 REWARD.
I BEG LEAVE to inform my friends and the community, that from recent arrangements made by me, I NOW offer the above reward in good faith, which shall be paid in cash to any chemist or physician, of good and responsible standing in this State, who, on due analysis and satisfactory evidence, can find anything in the BRANDIES, WINES, GINS, &c., &c., NOW for sale by me as pure, other than is found in all PURE, GENUINE and UNADULTERATED ARTICLES.
Knowing, from experience, that our citizens in general labor under the impression, with good cause, that pure Liquors cannot be had, I, after much pains, studious investigation, and from the reliable source with whom I NOW contract for my supplies in these articles, do stake my reputation as a man, my integrity as a merchant, that if the liquors NOW sold by me as pure "are not so," then none can be had from the vineyards in France, or rom any part of the world. As a proof of my sincerity, I challenge chemical contradiction, and invite all to come and test for themselves, when they will learn that NOW, "if never before," pure liquors can be purchased in Newport, by bottle or measure, for medicinal or family purposes, as cheap as in any other place in these United States.
WM. ALDERSON,
Newport, R. I.
N. B.—The main inducement for all to give me a call is, that my figure for the genuine article is rather less, than more, than is NOW charged for the handsome labeled bottled compounds so extensively sold all over the country. a13

WARLIKE WIT.

A WISE COURSE—Getting sick before a battle.

[From the Boston Post.]

The reply to a tender Valentine asking us if we "would not wander for ever and e'er,"

—"Where murmuring fountains, soft and low,
Make music in our souls below;
Where birds of song and plumage rare
Would hover in the fragrant air;
Till music's soft voluptuous even
Would close our eyes in dreams of heaven."

we answer: most certainly, yes, provided that in addition to the fountains, &c., work is scarce, willies and drink plenty, respectable board and lodging cheap, and the lady desiring so much of our society able to furnish good reference of unimpeachable character.

Style of Consolation.

A MAN'S—Well, I'll tell you what you must do.

A WOMAN'S—Ah! I told you how it would be.

Bill Posters are no respecters of person, as witness the odd combination one frequently meets with on the dead walls about town, upon which these philosophers professionally operate. The *genus* bill poster, like morning newspapers editors and Macbeth's witches, "fly by night," and they cannot, therefore be expected to see quite as clearly as other people. It is no surprising, then, that theatre bills, quack doctors placards, religious notices and other "advertising" dodges" should often overlie one another producing the most absurd combination and associations of persons and place. This every-day fact seems to have caught the fancy of some humorist, who, with a keen eye for the ludicrous, has produced for one of our lithographeres in a touch of genuine art, a curious medley, of which the following are amusing specimens:

"Lynch's candidate for Mayor."
"Apply at the
"Bowery Theatre,

"The Benecia Boy will"
"Take Brandeth's Pills,

"Restorative for the Hair,"

CANADA.

The subjoined extract from a private letter of an American gentleman who has long resided in Canada appears in a Boston paper, and it states the position of Canada in a new light, which demands consideration at a time when the loyalty of the provincials is so much boasted by the British press:

"Although all danger of war between England and the United States seems to be over for the present, I have made up my mind to leave Canada—although it is a year or two sooner than I had proposed. But I do not care to build on a volcano, and that is just the situation of a loyal American in a British dependency. If Canada were an independent country, it would be different, as, of course, she would take good care not to go to war with the United States. Both the interests and the feelings of the people, I believe, would be against a war. But as long as Canada remains a British colony, there can be no security against a collision, in which this province would be the principal sufferer: while the two chief belligerents would get off with comparatively little damage. The Canadians see this clearly enough, and when they are strong enough, they will break loose, but not quite yet."

We have had two wars with England, and in both of them we invaded Canada and fought several battles there. In the last, England, aware of the danger of permitting the theatre of the conflict to be established in the provinces, attempted to carry it into New York and Michigan, and failing in keeping it there, made desperate efforts to convert the struggle into a naval warfare upon the lakes. Great as was the English [illegible] power is now no greater, we have expanded into a military nation, and have shown our capacity for war on a grand scale by mustering an army of over six hundred thousand men, and fitting out armies and expeditions. While, therefore, England could do no more against us now than she did in the last war, we can do a vast deal more than we did then.

It was this consideration which induced the recent extraordinary haste of the English to rush as much naval and military strength as possible into Canada early in the contest, in order to prevent our making Canada the theatre of the war which was threatened. The London Times very ingeniously argued that the war would probably be confined to the great lakes, and become a naval contest, as it was before, and in proof of this it recited briefly the history of the struggle on the lakes in 1812. But we have far outgrown that possibility, as the Canadians know, and this knowledge will, as the writer above quoted says, ultimately induce the Canadians to break loose from a foreign alliance involving the continual danger of a destructive war. A nation three thousand miles distant, to which the provinces are loosely tied, took fire at a single unauthorized act of an American captain, and without waiting for the action of the American government on the subject, it flew into passion and made general preparations for war. Had war really been the result, that incensed nation would have been comparatively secure from harm by reason of distance and its formidable navy. The chief fighting would of necessity have been either in the United States or Canada, and no one can fail to see that the latter would have been laid waste, and suffered all the horrors of a great war on account of its British alliance.

These war flurries are frequent in England, whose constitutional ill-nature and jealousy keep her forever embroiled with the United States. Whenever she gets up a war fever Canadian interests suffer. The industrious Americans settled there either leave or prepare to do so, and the uncertainty as to the future prevents both European and American immigration. The provincials, of course, will not forever tolerate this state of things, and as common sense points them out a road by which they find a remedy, we presume that they will avail themselves of it. The day of change cannot be far distant, and it will be hastened by every war movement which England makes against us.

LOCAL NEWS ITEMS.

An Enterprising Soldiers Aid Society.—Among the various organizations of patriotic ladies in this city, formed for the purpose of rendering relief to our noble soldiers, none has done more in an unostentatious and quiet way than the Soldiers Aid Society of the Second Baptist Church. This Society have been untiring in their industry and have entered upon the work before them with a *will* more characteristic, we are sorry to say, of the ladies of our city, than of their masculine partners. The last meeting of these *true Yankee* women took place on Tuesday evening at the house of Mrs. William Stevens, on Thames Street, and was attended by about seventy-five *working* ladies to say nothing of supernumeries. It was like its predecessors a social, cheerful and happy gathering, as all felt that they were doing a good work and plied the *needle* as well as the tongue briskly.

From the President of the Association, Mrs. Henry B. Hazard, we obtained the information that the Society had received, letters of thanks and compliment from the Sanitary Commission at Washington, of the most pleasing character, evincing the esteem in which they were held by the great head of all these charitable associations, resulting from the abundance of their contributions and the practical knowledge which they had shown as to the articles most needed by our suffering soldiers.

We were also informed that a box had, a few days since, been forwarded to Washington containing Gowns, Draws, Shirts, Stockings, Mittens, Towels, Pillow cases Slippers, Bandages, Lint, Papers, Pamphlets, &c., the receipt of which had been promptly acknowledged by the Secretary of the Sanitary Commission.

Another box with a large assortment of articles like the above is nearly ready, and will be forwarded in a few days.

The next meeting of the Society will, we learn, take place at the residence of Mrs. Wm. Brownell,—*"God speed the right,"* is all we need say in conclusion.

Local Personals.—His Excellency Gov. William Sprague made a flying visit to our city yesterday, arriving in the Perry at 4 p. m., and departing by the same route, this morning. His visit is understood to have been on business of a private nature with Hon. Wm. P. Sheffield, of this city.

Rev. C. Howard Malcom, pastor of the Second Baptist Church is, we are glad to say, gradually regaining his strength, after a severe and prostrating illness.

Hon. Wm. P. Sheffield took his departure from this city, by the New York boat, en route for Washington, last evening, believing that important Congressional business of the General Assembly, is seriously indisposed, and confined to his house in this city.

Charles H. Russell Esq., of New York has nearly completed a very extensive addition to his Summer residence on Narragansett Avenue in this city. The work is under the charge of Mr. Abraham Peckham.

Nathan Hammett Esq., is still by indisposition unable to leave his house.—We learn that he is more comfortable to day.

A Charter for Company F, First R. I. Regiment.—*A Good Plan.*—Our citizens will be gratified to learn that a movement is on foot for the permanent organization of this gallant corps, under a charter from the General Assembly. The charter, if granted, will be similar to that of the Artillery, and will contain no *"Home Guard"* clause, as the arrangement is mostly made from the desire of the *brave boys* to stand at all times ready for the service of their country, in her times of trouble. There are about sixty of the original members of Co. F in our city, most of whom will join cordially in this movement for a permanent organization.—We believe no members will be received in the Company but those who signed the original roll call when they were called so suddenly to depart for the defence of our most sacred rights, in April last.

Uncle Sam has opened a recruiting or rather Shiping office for what Mr. John Bull calls his "miserable little navy," over the Restaurant of Mr. J. T. Potter on Thames street in this city, and placed it in charge of Mr. George R. Long, a very gentlemanly Shipping Officer, from whom we learn that good success is met with. Three jolly tars were recruited yesterday and quite a number are now considering the matter. The Government service appears at this time to be more agreeable than the merchant service to our sailors, and a more loyal and honest set of fellows cannot be mared up.

Real Estate Purchases by the Rail Road.—We understand that one or more of the estates on Long Wharf west of Washington street have been purchased for the Railroad Company, and that no other purchases for the Company have been, as yet, made although several others are in progress of arrangement.

Serious Accident to a Newport Lady.—We regret to learn that Mrs. James Ludlow of this city, while on a visit to her sister Mrs. Rogers in Providence, fell on the ice and broke her left thigh bone. The broken bone was immediately set and the limb is doing well. It is believed that she will regain her usual strength.

That Rebel Diary is unavoidably crowded out to-day, but will find a place in our columns to-morrow.

WAR NEWS.

THE FIGHT AT FORT DONELSON.

INTERESTING PARTICULARS.

Chicago, Ill., Feb. 18.—A special dispatch from Fort Donelson says that a portion of the ground occupied by our troops in the attack on Fort Donelson was such that not more than one regiment could operate at the same time, while the rebels could operate at the same time, while the rebels could bring nearly their whole force to bear against us. The first regiment to receive the rebels was the 18th Michigan, who fought with a desperate courage until their ammunition was completely exhausted, when they were compelled to retire, but were replaced by the 8th. They, too, were repulsed, after firing their last round of ammunition. In the mean while the other regiments were lending such feeble aid as their positions would admit. General Lew Wallace was then ordered to reinforce General McClernand. He sent two brigades from the centre.

Col. Logan's 31st Illinois regiment fought like veterans, defending Schwartz's Battery under the most galling fire until every horse at the batteries was killed, together with all the officers who had charge of the guns, as well as the Lieut. Colonel, Major, seven Captains and a number of Lieutenants of the 31st and the Colonel were wounded; being nearly surrounded Capt. Cook, in command, drew off what was left of the regiment, not however until the last round of ammunition, and they had commenced driving the rebels before them.

The Second Brigade then came up and fought desperately, losing a great number in killed, but with the assistance of a portion of Wallace's Division, the 49th and 59th Ohio, drove the rebels back to the intrenchments, gaining a portion of the ground lost. The object of the rebels was evidently to cut through our troops.

The Johnson captured is Brigadier General Bushrod Johnson of Tennessee.

FUTURE MOVEMENTS OF THE REBELS.

Cairo, Ill., Feb. 17.—The steamer Memphis arrived from Fort Donelson this evening bringing a Mississippi regiment of prisoners. Fifty or sixty wounded soldiers were left at Mound City. Eight or nine other boats are on their way with prisoners.

The escaped rebels are supposed to have gone to Nashville or Clarksville, where, it is supposed, the rebels will attempt to make another stand. A great light was seen this evening for several hours in the direction of Clarksville. It is supposed that the rebels either burned the town or their steamboats to prevent their falling into our hands.

The rebel officers admit that if we take Nashville rebellion in Tennessee is gone up.

The prisoners will probably be sent to Camp Douglas, Chicago.

REPORT THAT PRICE AND HIS ARMY ARE CAPTURED.

Philadelphia, Feb. 18.—The Pennsylvania Railroad telegraph line reports from Chicago, that at 1 o'clock this morning a report was received that Price and his army had been captured.

This city is decorated to-day. The people believe that Savannah is captured.

REJOICING IN BALTIMORE.

Baltimore, Feb. 18.—Flags are flying on all the public buildings and many private residences, as well as on all the newspaper offices, except the *Republican* and *News Sheet*. Nim's Boston Battery is firing a salute.

THE MAINE 13th REGIMENT.

Portland, Me., Feb. 18.—A train of 23 cars with the 13th Maine regiment left here this afternoon at 3.05 o'clock, for Boston.

REJOICING OVER AMERICAN VICTORIES IN NEWFOUNDLAND.

St. Johns, N. F., Feb. 18.—Fifty flags, being our whole number are flying at Cape Race, as a token of our satisfaction at the glorious victory at Fort Donelson. It gives great satisfaction here generally.

REJOICING AT WASHINGTON.

Washington, Feb. 18.—A National salute was fired at the Navy Yard in honor of the recent victories.

The late Prince Consort of England becoming possessed, a short time since, of a beautiful marble statuette of the boy King Edward VI, he had it stationed somewhat conspicuously at the top of one of the grand staircases. In the hand of the Royal child was a sceptre, and it was so placed in that hand as to point to the representation of a Bible, and at that passage indicated as follows: 2 Chron. xxiv., "Josiah was eight years old when he began to reign, and he reigned in Jerusalem one and thirty years. And he did that which was right in the sight of the Lord, and walked in the ways of David his father, and declined neither to the right hand nor to the left."

XXXVII CONGRESS.—First Session.

The joint resolution authorizing the Secretary of War to pay certain railroads in Missouri for transportation was reported back from the House and was being considered when a message was received from the House asking a return of the resolutions.

Resolved, the Senate concurring. That the public buildings be illuminated on Saturday evening in honor of the recent victories.

The following resolve was also unanimously adopted:

Resolved, As a mark of respect for the memory of the brave men who have been killed, and sympathy for those who have been wounded in the recent victories of our arms in South Carolina, Missouri and Virginia, as well as a testimonial of the profound admiration of this House for the persistent, undaunted courage of all the officers soldiers, sailors and marines engaged, and who have achieved for themselves and country imperishable honor and renown, that the House do now adjourn.

Representative Colfax has presented to the House five petitions from publishers of New York and Philadelphia, recommending amendments to the bill simplifying the postage on printed matter, authorizing newsdealers to send show bills relating to newspapers, &c., at newspaper postage, containing their right to receive packages of papers and pay postage thereon separately, and allowing matter not now mailable, dangerous packages excepted, to be sent by mail at book rates. They do not recommend any change in the proposition to consolidate the present rates of three and a quarter cents and six and a half cents into a uniform rate of five cents per quarter on weeklies. The effect of this consolidation would not do to increase the newspaper postage in the aggregate, but to realize about the same revenue, and enable subscribers to it.

The Californians are getting sick of the telegraph, and clamor again for the pony express. They say the wires are broken means of communication half the time, and when the telegraph is working they only get the shell of the news, and by the time the mails get along the details are an old as not to be worth publishing. But with the pony express they were sure of the news every ten or twelve days, and they like that very much better than the present telegraph system.

The Lord Lieutenant held his first levees for the season in Dublin, on the 30th of January. Over 700 persons were present, representing all churches, parties and professions.

GREAT INDIAN REMEDY
For Females.
Dr. Mattison's Indian Emmenagogue.

This celebrated Female Medicine, possessing virtues unknown of anything else of the kind, and proving effectual after all others have failed, is designed for both *married and single ladies*, and is the very best thing known for the purpose, as it will bring on the *monthly sickness* in cases of obstruction, from *any* cause, and after all other remedies of the kind have been tried in vain.

OVER 2000 BOTTLES
have now been sold
without a *single failure*, when taken as directed, and without the least injury to health *in any case* ☞ It is put up in bottles of three different strengths, with full directions for using and sent by express, *closely sealed*, to all parts of the country.
PRICES—Full strength, $10; half strength, $6; quarter strength, $3 per bottle.
☞ *Remember! This medicine is designed expressly for* OBSTINATE CASES, *which all other remedies of the kind have failed to cure; also that it is warranted as represented* IN EVERY RESPECT, *or the price will be refunded.*
☞ BEWARE OF IMITATIONS! None genuine and warranted unless purchased *directly of Dr. M., or at his office,* rear of No. 28 Union Street, Providence, R. I.

Dr. Mattison's Diuretic Compound,
For Acute and Chronic Gonorrhœa.
This new remedy contains neither Balsam Copaiva, Spirits of Nitre, Cubebs, Turpentine, or any other nauseous drugs, but is an elegant vegetable liquid, pleasant to the taste and smell, greatful to the stomach, cooling, cleansing and healing in its operation, and speedily allaying all heat and irritation in the urinary passages. You, therefore, who have been swallowing down *Balsam Copaiva*, either in capsules or mixtures, for months in succession, until with pale face and disordered stomach your breath and clothes are filled with its vile odor; throw away the disgusting mixtures, and send for a bottle of this *New Remedy*, which will not only cure you *at once*, but at the same time it will cleanse the system from the injurious effects of the various mixtures you have been taking so long.
☞ ONE BOTTLE, WHICH LASTS A WEEK, WILL OFTEN EFFECT A PERMANENT CURE.— Price $2,00.

Dr. Mattison's Sirop Anti-Syphilitique,
For Secondary, Tertiary and Hereditary Syphilis.
No remedy ever discovered has done what has been achieved by this. Under its use every form of constitutional syphilitic taint is speedily cured, and in a few weeks the subtle poison is completely eradicated from the system, and health and strength are permanently restored.
☞ *It was this remedy that cured in a few weeks a gentleman from the South, then stopping at Newport, and for which he presented Dr. M with $450 besides his bill, after having been under the treatment of the most eminent physicians in Baltimore, Philadelphia and New York for* FIVE YEARS.
One bottle, which lasts a month, will often effect a perfect cure. Price, $10; half size, $5.

Dr. Mattison's Nerve Invigorator.
For Nervous Debility, Loss of Power, Impotency, Confusion of Thought, Loss of Memory, Irritable Temper, Gloomy Apprehensions, Despondency and Melancholy, which may end in Loss of Reason.
This new remedy for that fearful train of mental and physical evils arising from venereal excesses, and secret habits of the young, is composed of the most soothing, strengthening and invigorating medicines to be found in the whole Vegetable Kingdom, which, in combination, form the most perfect Antidote for this obstinate and distressing class of maladies ever yet discovered.— It has now been sent to nearly every State in the Union, relieving the untold sufferings of hundreds who have never seen the inventor, restoring them to comparative health, strength and happiness. *Prices*—Quart bottle, which last a month, $10; half size, $5.
☞ These four GREAT REMEDIES are the result of over twenty years' study and practice, and as now prepared they are known to be the *very best* for their respective purposes, and I am therefore induced to make them public for the mutual benefit of myself and the sick, who otherwise could never avail themselves of their benefits. They are all warranted as represented, in every respect, or the *price will be refunded.*
☞ Prepared and sold ONLY at DR. MATTISON'S REMEDIAL INSTITUTE FOR SPECIAL DISEASES rear No. 28 Union street, Providence, R. I., and sent by express, *secure from observation*, to all parts of the United States.

A WORD OF CAUTION.
☞ It has been estimated that over *Two Hundred Thousand Dollars* are paid to swindling quacks annually in New England alone; and that, too, without *any benefit* to those who pay it. All this comes from trusting, *without inquiry*, to men who are alike destitute of honor, character or skill, and whose *only* recommendation is *their own* false and extravagant *assertions*, in praise of *themselves*. The only way to avoid imposition is to take no man's word, *no matter who* [illegible] *pretensions are*, but MAKE INQUIRY It will cost you nothing, and may save you many regrets; for, as advertising physicians in nine cases out of ten are *bogus*, there is no safety in trusting *any of them* unless you know *who* and *what* they are.

Dr. M. will send *free*, by enclosing one stamp as above, a Pamphlet on DISEASES OF WOMEN, and on *Private Diseases* generally; giving full information, with *the most undoubted references and testimonials* without which no advertising physician, or medicine of this kind is deserving of ANY CONFIDENCE WHATEVER.
☞ Orders by mail promptly attended to. Write your address plainly, and direct to DR. MATTISON, as above. d18-1y

NOTICE.—We are daily receiving orders to send by mail some one or more of Dr Hurd's Dental Remedies, which we cannot fill.— None are mailable except the *Neuralgia Plaster*, which we send in an envelope on receipt of Price (15 cents) and one stamp — But to accommodate persons in places where the druggists and store keepers are behind the age, we have put up packages in white embossed boxes, seven inches by four, with compartments—each box containing a bottle of *Dr. Hurd's Mouth Wash*, and *Tooth Ache Drops*, a box of *Tooth Powder*, the *Neuralgia Plaster*, and a valuable little Treatise on *Teeth and their Diseases, the best means of preserving them, and the proper treatment of Children's Teeth*, (worth of itself the entire cost to every young man or woman, or parents with young children;) with sundry other necessary articles; price per package, *one dollar*, or six packages for $5. sent by express as directed. As the Express charges are not much, if any, more on a dozen than on one, it is far cheaper to order six or a dozen packages at one time. A large family will want all, or the surplus can be disposed of to neighbors with public benefit, for no one can estimate how much pain, suffering, unhappiness, and disfigurement, expense, loss of time and money would be saved to the country if every family to-day had one of these packages, which, in itself, is a complete set of Dental Remedies. Address WM. B. HURD & Co., Tribune Buildings, New York, and write name and address plainly. That remittances may be made with confidence. W. B H. & Co. refer to the Mayor of Brooklyn, to G W. [illegible] L. MILLER'S

HAIR INVIGORATOR,

AN EFFECTIVE, SAFE AND ECONOMICAL COMPOUND.

FOR RESTORING GRAY HAIR to its original color, without dyeing, and preventing the Hair from turning gray.

FOR PREVENTING BALDNESS, and curing it, when there is the least particle of vitality or recuperative energy remaining.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.

FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS

per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's Hair inclines to be weak. THE SPECIFIC PILL.

A SPECIFIC REMEDY FOR

Spermatorrhea or Seminal Weakness, and Genital Irritability in either Sex.

This Malady, the *terrible consequences* of which are too well known to require more than a bare allusion to them, is one of the most insidious, and therefore dangerous, of all the long catalogue of human ills. It saps the very springs of life, rapidly undermines the constitution, and sinks the unhappy victim into imbecility and a premature grave! From one to six boxes of the SPECIFIC PILL are sufficient to effect a permanent cure in the MOST AGGRAVATED CASES, whether *Constitutional*, or arising from *Abuse* or *Excesses*.

SOMETHING MORE VALUABLE THAN SILVER OR GOLD,

BECAUSE

IT WILL RESTORE THE WEAK, REINSTATE THE BLOOD IN ALL ITS ORIGINAL PURITY AND VIGOR.

It is

PROF. O. J. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR:

Is precisely what its name indicates, for while pleasant to the taste, it is revivifying, exhilarating and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted *so as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach* and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits.—It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. As a sure preventive and cure of

CONSUMPTION, BRONCHITIS, INDIGESTION, DYSPEPSIA, LOSS OF APPETITE, FAINTNESS, NERVOUS IRRITABILITY, NEURALGIA, PALPITATION OF THE HEART, MELANCHOLY, HYPOCHONDRIA, NIGHTSWEATS, LANGUOR, GIDDINESS, AND ALL THAT CLASS OF CASES SO FEARFULLY FATAL, CALLED FEMALE WEAKNESSES AND IRREGULARITIES,

THERE IS NOTHING ITS EQUAL.

Also, Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidneys, or any general derangement of the Urinary Organs.

It will not only cure the debility following CHILLS and FEVER, but prevent all attacks arising from miasmatic influences, and cure the diseases at once, if already attacked.

TRAVELERS should have a bottle with them, as it will infallibly prevent any deleterious consequences *following* upon change of climate and water.

As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits.

LADIES not accustomed to much out door exercise should always use it.

MOTHERS should use it, for it is a perfect relief, taken a month or two before the final trial, she will pass the dreadful period with perfect ease and safety!

There is no mistake about it!!
THE CORDIAL IS ALL WE CLAIM FOR IT!! MOTHERS TRY IT!!

And to you we appeal, to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they, too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never-failing affection will unerringly point you to PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need.

O. J. WOOD, proprietor, No. 444 Broadway, New York, and No. 114 Market Street, St. Louis, Mo., and sold by all good druggists. Price one dollar per bottle.

Read what the Press say, after thoroughly testing the matter, and no one can have a doubt.

Prof. WOOD'S Restorative Cordial and Blood Renovator is a genuine medicine of real merit, pleasant to the taste and invigorating to the system. While it purifies the blood and soothes the nervous irritation, it aids the organs of digestion to perform their [functions]. It is a compound so skillfully combined that while it exhilarates it does not provoke the lassitude which usually follows excitement. A tonic, composed exclusively of vegetable matter it is absolutely beneficial and no ill effects can possibly accompany its use. It is an infallible and speedy remedy for Loss of Appetite, Faintness, Nervous Debility, Neuralgia, Palpitation of the Heart, Falling of the Womb, and other delicate diseases to which woman is subject. For Sickness of the Stomach, Bilious Attacks, Liver Complaints, Costiveness, Dyspepsia, Consumption and a host evils flesh is heir to, it is a certain cure.—*St. Louis Morning Herald.*

PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in the Classics that Pysche was once sent to a climate warmer than the West Indies, to procure a sample of the beauty of Prosperine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew all the ills that flesh is heir to. Fortunately hope was found in the bottom of the box. Prof. WOOD'S Restorative Cordial revives the recollection of the story, for it invigorates the blood, aids the organs of digestion, imparts strength to the nervous system, and fortifies the citadel of health, so as to bid defiance to the assaults of disease. It is a healthy tonic, composed entirely of vegetable productions, and while it is exhilarating as pure wine, no injurious results can possibly follow its use. It is a desideratum in the medical world, and those who are afflicted with loss of appetite, Dyspepsia, Consumption, Faintness, Giddiness, Neuralgia, Palpitation of the Heart, &c., will find here an infallible panacea.—*St. Louis Daily Express.*

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR is, without doubt the best tonic Cordial in the world. To those who are suffering from General Debility, we would recommend its use, for it is pleasant to the taste, is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of disease. It can be taken by the weakest stomach, while those in good health will at once feel its exhilarating power. We are confident that after using one bottle of this Cordial none will be for a day without it.—*New York Leader.*

A PURE, HEALTHY TONIC, and one free from the deleterious and injurious effects sure to follow those in ordinary use, has long been felt to be a desideratum in the medical world. Such a tonic, and one so skillfully combined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus sooth the weakest stomach, and at the same time allay nervous and other irritations, and tone up all the organs of which the human body is composed, is offered in Prof. WOOD'S Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to old and young. Reader, try it. Thousands have already done so, and the testimony is universal in its favor.—*New-York Atlas.*

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR, for the cure of General Debility, or Weakness arising from any cause; also, Dyspepsia, Nervousness, Night Sweats, Incipient Consumption, Liver Complaints, Billiousness, Loss of Appetite, Female Weakness in all stages; also to prevent the contraction of disease, is certainly the best and most agreeable Cordial tonic and Renovator ever offered to the afflicted, and so chemically combined as to be the most powerful tonic ever known to medical science. Reader, try it. *It will do you good.* We have no hesitation in recommending it, since we know it to be a *safe, pleasant and sure* remedy for the diseases enumerated.—*New York Dispatch.*

MADAME ZADOC PORTER'S Balsam has been used by the public for over 18 years, and has acquired its present sale simply by being recommended by those who have used it, to their afflicted friends and others.

MOST IMPORTANT.—MADAME ZADOC PORTER'S CURATIVE BALSAM is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—SAVE YOUR MONEY!—Do not be persuaded to purchase articles at 4s. to $1 which do not contain the virtues of a Dime Bottle of Madame Porter's Curative Balsam, the cost of manufacturing which is as great as that of almost any other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customers insist upon having Madame Porter's and none other.—Ask for Madame Porter's Curative Balsam, price 10 cts., and in large bottles at 20 cts and take no other. If you cannot get it at one store you can at another.

☞ Sold by all Druggists and Store-keepers at 10 cts. and in larger bottles at 20 cts.

The *entire* press of the country has bestowed upon this work *unanimously* the highest encomiums. The Louisville Journal of October 8th, 1861, says of it:—

"It is a work of the highest merit. In fullness, completeness, accuracy, and logical as well as chronological dependence, it leaves nothing to be desired. We reckon the value of this work above price. It meets suitably the great literary demand of the hour *It is a work the lack of which would prove with posterity a cause of special reproach to our day and generation.* Let everybody subscribe for it."

This work should be in every loyal family; it is a necessity for present information; and in future days will be read with interest by children and grandchildren, as a memorial of the present most important era of our National History.

Vol. 2 will be issued in May, and Vol. 3 in September, 1862. But the work is continued also, as heretofore, in weekly parts at 10 cents, and monthly parts at 40 cents. For sale at all the book stores and news depots. Orders to be directed to
